Olive Hill is agitating the subject of water works.

Wiley Litteral, of Oil Springs, one of the oldest and best men in Johnson county is very ill and is not expected to live.

At a meeting of the First Baptist church of Russell held in the church Thursday evening, Re. T. J. Riggs, of Oak Hill, Ohio, received a unanimous call to the pastorate of the church. He will be here for the first time on Sunday, 11.

Before the end of April more than 60,000,000 cubic feet of natural gas will be taken daily from the gas fields of the southern part of West Virginia and distributed among consumers in Cincinnati.

The citizens of Bonanza have organized a company to build a telephone line from there to Prestonburg to be known as the Bonanza-Prestonburg Telephone Co. Connection to be made with the Southern Bell Telephone Co.

Damages are asked by F. H. Preston, of Paintsville, a clerk in the Auditor's office, against the Central Kentucky Traction Company for \$5,000 because he had a suit of clothes stripped from him in a street car accident in Frankfort last summer.

The leading citizens in Russell are promoting the location of a modern furnace there for the manufacture of pig iron. They have interested Col. E. J. Bird, of Ironton, in the project, and went over the question with him a few evenings ago. Now there is much probability of the building of the furnace.

Joe Long, the most notorious moonshiner known in these parts since Uncle Mat Greer's death, was captured Sunday at the home of Grant Nickell, on Byrd branch of Gray, and six gallons of moonshine liquor found in his possession. Joe Long has never been apprehended but twice before, although he has been in the business for years. His partner, Milton Peyton, said to be, was not taken, and the business may go on indefinitely.—Hazel Green Herald.

Saturday afternoon, at Euclid near Russell, quite an excitement was created at the Greek Camp, when one of the Greeks undertook to end his life with a 32 caliber pistol. The man is said to have been ill for a few days but it was not known that he was in such a serious condition. Efforts were being made by his companions to send him to his old home in Greece. A few hours before train time he secured a revolver and fired into his breast. Dr. Miller was summoned and after an examination, thought it best for him to be sent to a hospital as soon as possible. He was brought to Greenup Sunday morning and taken to Russell to catch the fast line for Cincinnati, where he was taken to a hospital to undergo an operation.

On 1st Saturday morning at Nipps, near the mouth of Rush Fork, the fine barn belonging to Ted Preston was consumed by flames. The fire was of incendiary origin. The barn contained 27 bushels of corn and a large amount of hay, which was destroyed. Mr. Preston in addition to losing the corn and hay, lost all his farming implements including a fine surrey. The barn was evidently set on fire by some one who was paid at Mr. Preston. They also saturated the store belonging to Mr. Preston, which was nearby with coal oil and it took hard work to keep the store from burning. Bloodhounds were procured from Lawrence county, and it is said the dogs trailed the parties to near the head of Hood when the trail was lost.

CATARRH DESTROYED  
MY APPETITE

PERUNA rarely fails to restore the appetite. Immediately upon beginning the use of Peruna patients begin to eat and digest. This is the universal testimony, coming from all parts of the civilized world.

Catarrh is a very frequent cause of loss of appetite and disturbed digestion. The beneficial influence of Peruna on catarrh completely restores the appetite in such cases.

To prod the digestive organs with medicines that are merely stimulants is a poor way to remedy such cases.

"I am now cured and cheerful in spirits, all through the agency of Peruna, which has cured me effectively and restored my appetite."

"My only regret is that I did not use Peruna sooner and I would have avoided all my previous suffering and misery."

—Mr. Joseph H. Conlan.

## Removed Catarrh, Restored Appetite.

Mr. Joseph H. Conlan, 487 7th Ave., Brooklyn, N. Y., writes: "I suffered from catarrh which completely destroyed my appetite and weakened my entire system."

"I am now cured and cheerful in spirits, all through the agency of Peruna, which has cured me effectively and restored my appetite."

"My only regret is that I did not use Peruna sooner and I would have avoided all my previous suffering and misery."

**Torpid Liver, Stomach Trouble.**  
Mr. James O'Byrne, 626 Madison St., Topeka, Kas., conductor Santa Fe Railway and member Order of Railway Conductors, writes: "I suffered with a torpid liver and stomach trouble, which made my complexion very sallow, and I felt miserable and tired all the time."

"An aunt wrote me that she was taking Peruna with such good results that she advised me to try it, and I finally bought a bottle, although I disliked to take patent medicines."

"However, I found Peruna very agreeable to take, and effective, as I felt better in a week. I took only five bottles in all and I found that was all I needed."

"I am most grateful to you for what your medicine has done for me."

**Dysentery Entirely Relieved.**  
Mr. W. N. Casey, Leanington, Ill., writes: "In two weeks after beginning your treatment I was well. I used nine bottles."

## Peruna as a Tonic.

Capt. R. B. Smith, Greensboro, Ga., writes: "After using several bottles of Peruna I can recommend it as one of the best catarrh medicines on the market. As a tonic it has no equal."

"Peruna is all that is claimed for it."

## Catarrh of Stomach.

Mr. Henry Neely, First Lieutenant, Co. "F," 5th Regiment, U. S. A., Box 623, Trenton, Mo., writes: "I suffered for years with catarrh of the stomach. Seeing an advertisement of Peruna, I bought a bottle and every dose made me feel better. Seven bottles completely cured me."
